# AFRICA HEALTH EXCON 2024

# Africa Health ExCon

Under the auspices of H.E. President Abdel Fattah El-Sisi and with the esteemed presence of the Prime Minister, Mostafa Madbouly. The Third Edition of Africa Health Excon.

Africa Health ExCon is the Prominent annual healthcare event in Africa. Endorsed by the Egyptian Authority for Unified Procurement (UPA), this distinguished event brings together global healthcare leaders, policymakers, and professionals to advance innovation and promote trade.

Africa Health ExCon serves as a key platform for facilitating connections between buyers and suppliers, fostering significant trade and business opportunities.

By showcasing the latest advancements in medical equipment, diagnostics, pharmaceuticals, and healthcare IT, Africa Health ExCon drives the progress of the healthcare industry across Africa and the Middle East.
